Very important – should we need more information

YOU SHOULD KNOW!!!

These plans agree with basic FHA/VA regulations, and meet (I R C) one and two family dwelling code at the time they were drawn. Check with your builder regarding local codes that may vary. Minor alterations can be made by your builder without drawing new plans. **THE OWNER AND CONTRACTOR ASSUME THE RESPONSIBILITY TO MEET ALL LOCAL CODES.** ■ **MIRROR REVERSE PLANS:** Lettering and dimensions will appear backwards. We can substitute a reverse set for 1 of the sets you order. The mirror reverse set assists the builder in laying out the house. ■ **COMPUTER REVERSE PLANS:** Reverse plans from plans drawn on our C.A.D.D. system may be ordered "Right Reading", rather than mirror image, at an additional \$175.00 per order. All sets will be reverse right reading copies. Allow about 3 days. **ONLY PLANS WITH THE RRR SYMBOL MAY BE ORDERED COMPUTER REVERSED.** ■ **HEATING LAYOUT:** Sold only with plan order. Available for natural gas and oil or bottle gas forced air systems only. Calculations are based on the southeastern regional climate. If you plan electric heat, we suggest you contact a local electric company. ■ **MATERIAL LIST:** Sold only with plan order. This is a quantity list of concrete, masonry, framing, windows, doors, trim, drywall and nails needed to build your house. ■ **REPRODUCIBLES or PDF FILES:** The purchase of reproducible home plans carries the same copyright protection as plans. To use any plan more than once, and to avoid any copyright license infringement, it is necessary to contact the plans designer to receive a release and a license for extended usage. PDF files are not avail on N & E #s. ■ **COPYRIGHT INFORMATION:** These plans are the creation and property of W.D. FARMER F.A.I.B.D. Adaptation of plans, or reproduction, in part or in their entirety, is prohibited under full penalties of the law. Making photocopies from blueprints is illegal!

ADDITIONAL SETS OF THE SAME PLAN WITHIN 60 DAYS and/or between brackets - \$75.00 EACH 10 SET MAXIMUM

HOW MANY SETS OF PLANS SHOULD YOU ORDER?: We suggest a minimum of 5 sets. You will need plans for the builder, sub-contractors (plumbing, heating, electrical), permit department, loan application, and an owner set. If you plan to use F.H.A. or V.A. financing, you should order a total of 8 sets. **ORDER ALL THE SETS OF PLANS YOU WILL NEED AT ONE TIME,** to take advantage of savings on additional sets. All plan orders are printed at your specific request, therefore while we are printing your order, we can run the additional sets at a nominal cost. All sales are final. The purchase of additional sets of home plans at a reduced price, as a part of a multiple set package, does not convey to the buyer a license to construct more than one dwelling. Please double check your plan number before placing your order. **THANK YOU FOR YOUR ORDER!**
